INK POOL

# WHAT IS INK POOL

Inkpool is a writing competition organised by Blogscord incorporation and powered by Schaffen Softwares Pvt. Ltd. The event takes place from 1st to 7th September, widely in 3 rounds and will be supervised by Blogscord's and Schaffen softwares's dedicated team.

# THE EVENT

With inkpool our aim is to bring out the writer every person hides in themself and polish the skills of budding writers by offering them an online platform. To unbox the inherent writer in them so that they could make a difference.

All the information about the event will be posted on our website
www.schaffensofts.com/events

We are expecting over more than 300 participants for the event who are as excited to participate as we are to present you as our sponsor.

# WHY SPONSOR US ?

Blogscord is a blogging website which works under Schaffen Softwares Pvt. Ltd. which is a budding startup incorporation.
At Schaffen, we create innovative and creative websites and applications and provide services that provide total communication and informative solutions

We believe that collaborating with us for this event can go a long way in spreading the world about your organisation among passionate and interested students.
Since we are expecting 300+ participants for this event, it will attract a diverse crowd which will be directly helping you in your publicity and branding, online as well as offline along with that on our social media handles and on our official website as well.
